

Announcing the Eighth Annual Fall 2018 Hudson Valley Pace Series!

Get in on the excitement! This year we have **FIVE** Dutchess County hunter paces in our series. Earn points for every pace you enter. The higher you place the more points you earn. Participate in **at least 3** of our member paces and you automatically qualify for fabulous prizes and bragging rights. The more paces you enter, the greater chance you have to win. Points will be awarded to individual riders so you need not ride in the same team or the same division throughout the Series. (*Hunt division will earn 1 to 20 pts. Hilltoppers earn 1 to 10 pts. Points accumulate for Series prizes. Rombout Hunt First Flight and Junior will be combined to determine points.*)

Series Grand Champions - Top 2 total points earned each win a Smith-Worthington bridle provided by Jamie Manning www.ManningSaddleRestoration.com

Series Reserve Champions – Top 3rd & 4th points earned
Each win a Smith-Worthington halter and lead provided by Jamie Manning
